

Northwest Middle School needs a media center!

Rochester City School District

Rodney Moore, Principal
Robert Faulknor, Music Teacher
Debra Ortenzi, Librarian

Goal: Help us design and create a digital recording studio/media center

We have a designated space, a budget, and many materials ordered but need assistance with the DESIGN and LAYOUT to best meet the needs of the school.

Our Student Population:

90-95% Economically disadvantaged

60% Black

32% Hispanic

8% White

The Need:

- Student Voice Committee
- Equitable access to technology
- Balance opportunities for our students
- Create problem-solvers
- Make connections outside of the classroom

Currently our students have limited access to skill building opportunities. It is our desire to widen access to opportunities that will prepare our students for a future of success.

Usage of the space
